

The screenshot shows the Microsoft PowerPoint ribbon. The 'Insert' tab is highlighted in red, indicating it is the active tab. Other tabs include File, Home, Design, Layout, Animation, Slide Show, View, and Help. Below the tabs is a toolbar with various icons for inserting shapes, tables, images, and other elements. The main workspace is visible at the bottom.

The screenshot shows the Microsoft PowerPoint ribbon at the top. The tabs visible are File, Home, Insert, Design (selected), Change Layout, Animation, Slide Show, View, and Drawing Tools. Below the ribbon, there is a preview area showing various slide themes and color schemes. A search bar at the top right says "Please enter the operation you want to perform...". On the far right, there are icons for slide size, background, font size, and user settings.

The screenshot shows the Microsoft PowerPoint ribbon. The tabs visible are 'ファイル' (File), 'ホーム' (Home), '挿入' (Insert), 'デザイン' (Design), '画面切り替え' (Switch), 'アニメーション' (Animation), 'スライド ショー' (Slide Show), '校閲' (Review), '表示' (View), '書式' (Format), and a placeholder tab with a lightbulb icon. The '画面切り替え' tab is highlighted in red, indicating it is the active tab. Below the ribbon, there are preview panes for 'プレビュー' (Preview) and 'スライド' (Slide). A toolbar below the preview panes contains icons for 'なし' (None), 'カット' (Cut), 'フェード' (Fade), 'プッシュ' (Push), 'ワイプ' (Wipe), 'スプリット' (Split), '出現' (Appear), 'ランダムスト…' (Random St…), and '図形' (Shape). The status bar at the bottom displays the text '画面切り替え'.

The screenshot shows the Microsoft PowerPoint ribbon. The tabs visible are File, Home, Insert, Design, View, Animation (selected), Slide Show, Review, and Font. Below the ribbon, there's a toolbar with preview, star, and arrow icons. The main area displays a list of animation effects: None, Appeal, Fade, Slide In, Float In, Split, Wipe, and Effect Options. A 'Preview' button is also present.
